Department of Electrical & Electronic Engineering,
University of Chittagong

Poster Presentation Rulebook

Prerequisites:

- ❖ Any innovative ideas and research work can be given in poster presentation.
- ❖ The work or idea presented must be one's own and no copied ideas will be accepted.
- ❖ When a project based idea is adopted, the participants must clearly define a project aim or hypothesis, the creative endeavor, the means used to achieve it, and the findings drawn.

Rules:

1. A group or an individual person can give a presentation. Maximum number of members in a group is 2.
2. Only A1 size paper (23.4 x 33.1 inches) is allowed for making the poster.
3. Each individual or group must bring their printed poster in the form of a banner.
4. The top of the poster should have the department logo on one side and the fest logo on the other side along with the project title and authors' names.
5. The presentation will be in either English or Bangla.
6. Max 5 min will be given to present your work.
7. Fonts should abide by size like 24pt for body texts & 36pt for headings.
